

A Vision for the Future for Allentown

Please help the Board of Directors assess how the Allentown Association can better serve you, the community, over the next five years. The board has discussed this topic and refined the vision into four core areas, but is it enough? What is important? What are your aspirations for Allentown? We need your advice.

Here are some thoughts developed by the Association Board of Directors for the future of Allentown:

1. Develop educational opportunities within the neighborhood.
2. Bolster a mixed-used diverse business district.
3. Enhance the 'Community of Arts'.
4. Continue to revitalize the cultural landscape & historic elements within the neighborhood.
